

We dedicate the 1991 Town Report to Leland S. Congdon, Sr. for his outstanding service to the Town of Clarendon and the School Districts.

Leland was born and raised in Clarendon. He graduated from Rutland High School and SUNY at Morrisville. He is a Life Member of the Rutland County Agricultural Society. For thirty years, he owned a farm with his brother in Clarendon.

Leland is a member of the Old Brick Church and has been a Deacon there since 1973. He was awarded the "Community Service Award" by the Grange in 1981.

Leland has spent uncountable hours of service to the Town and Schools in various capacities over the past forty-one years. He started as a Selectman in 1950, serving a three year term. The following year, 1953, he was elected as a Justice of the Peace and thirty-nine years later he continues to serve as a Justice. In addition to Justice, he is serving in his twenty-ninth year as Elementary School Director, having first been elected in 1963 and is serving in his seventeenth year as Union #40 School Director, having been involved since the school's beginning in 1975. For many of the years in service, he has been Chairman of the Board of Civil Authority and Chairman of both School Boards.

Leland, now semi-retired, continues to serve the Town and for this we are grateful.

AUDITOR'S REPORT

In accordance with section 1681 of title 24, V.S.A., we have examined the accounts and records of the Town of Clarendon, Town Municipal Library and the Town School District. To the best of our knowledge the financial statements and reports show the financial activity and financial position of the Town for the fiscal year ended December 31, 1991.

Auditors:

Yvette M.R. Bourassa
Arthur W. Knox, Sr.
William Weeks

BAILEY MEMORIAL LIBRARY

On January 12, 1991 the Bailey Memorial Library opened its doors in the former Kalow Controls building in Clarendon village to provide library services to the people of Clarendon. Initial funding came from the defunct Clarendon Library Association and from a small endowment for books given to the town by Cornelia W. Bailey. The town endorsed the concept of the community library by appropriating \$7000 at the March town meeting.

Staffed by Clarendon residents Lois Kahlen and Dorothy Barnes, who are provided to us at no charge by the Vermont Associates for Jobs and Training, the library is open 32 hours a week. We are gradually building a book collection designed to appeal to the recreational reader of all ages and to students or adults needing basic non-fiction materials. Some of the books were donated to us, some best sellers and children's books were purchased from the Bailey fund, and some have been borrowed from the Vermont Department of Libraries and are exchanged on a regular basis to keep the collection fresh.

Volunteers have contributed more than 307 hours in the library during the year, doing everything from conducting the children's Saturday morning Story Hour to sorting catalog cards. Many others have helped behind the scenes by contributing lumber and fuel oil, building bookcases, organizing a bake sale for the benefit of the library, helping with legal matters, and in countless other ways.

In 1992 we plan to build upon the solid foundation begun last year. Two immediate needs are to expand the book collection and to investigate ways to acquire the computer and equipment necessary to hook into the Vermont Automated Library System, which would give Clarendon access to books and information found in other libraries in Vermont.

Tight times make libraries a necessity, helping children to become literate and productive citizens and adults to stay informed. Libraries provide materials to fill the leisure hours of young and old alike.

We ask your continued support as we prepare to serve the community for another year.

Bailey Memorial Library

Diane L. Chartrand
President, Board of Trustees

SELECTMEN'S REPORT

The Board of Selectmen meet at the Town Hall on the 2nd and 4th Monday's of each month. All meetings are open to the public and handicapped accessible. Everyone is welcome to attend and participate in our town government. Your input is important in helping us to make decisions that support the needs of the community. If you have concerns you feel should be addressed but are unable to attend a meeting; please send them in writing to "The Board of Selectmen, P.O. Box 30, North Clarendon, VT 05759". All correspondence will be reviewed and acted upon as necessary.

Please exercise your right to vote. Approximately half of the registered voters participate in elections. Your vote is vital in assuring that balloting on issues and expenditures reflects the views of the majority of our community. Absentee ballots are available from the Town Clerk's Office for registered voters who are unable to come to the polls. New voters may register with the town clerk.

This year another building was added to the town highway complex, we are now able to house all of our town equipment under cover. Seven-tenths of a mile of the Middle Road was resurfaced using a new asphalt resurfacing process, whereby the old road surface is ground up and mixed with new resurfacing materials then reapplied to the road. The result is a new road at reduced cost over conventional methods. We hope to be able to do more areas of road in this manner in the future.

A dog pound has been built at the town garage for the animal control officers to hold unregistered animals until their owners retrieve them by paying their penalties or arrangements can be made for their disposal.

The town of Clarendon in cooperation with RIDC was able to obtain a grant to install a sprinkler system at the airport Industrial Park; which will make the park more inviting to prospective new businesses.

Upgrading our town cemeteries continues, brush has been cut, mowing is being done regularly and some of the valuable old headstones have been repaired. We still are in need of townspeople who would be interested in serving as cemetery commissioners.

We would like to thank all of the townspeople who have taken the time from their busy schedules to attend our meetings this year and hope to see even more of you in the coming year.

Respectfully submitted:

Ralph J. Austin, Chairman
Clarendon Board of Selectmen

TOWN CLERK'S REPORT

The Town Clerk's Office is open on Mondays & Tuesdays from 10:00 a.m. until 4:00 p.m. and on Wednesdays & Fridays from 10:00 a.m. until 3:00 p.m. If you are unable to come into the office during those hours, please call 775-4274 to make arrangements to transact your business by mail.

The duties of this office are many and varied including: recording of land transactions, filing U.C.C.'s, recording vital statistics, preparation—presiding over—and follow-up on elections, dog licenses, marriage licenses, fish & game licenses, transfer station coupons and voter registration.

The recording of land transfers, mortgages, land use permits, attachments and other miscellaneous transactions has filled three volumes of 500 pages each of the Land Records. This is a slight increase over 1990 recordings.

DOG LICENSE REPORT

NOTICE: All dogs, 6 months of age and older, shall annually on or before April 1st, be licensed. A current rabies certificate must be provided before a license may be issued. 20 V.S.A. §3581.

The Town Clerk's Office will be opened on Saturday, March 28, 1992 from 10:00 a.m. until 1:00 p.m. for the purpose of licensing dogs. You may also license dogs by mail by sending: copy of the rabies certificate, a check for the appropriate amount and a self-addressed stamped envelope. Fees are: males—\$8.00, females—\$10.00, neutered males & spayed females—\$6.00 and kennel permits—\$10.00.

1991 Licenses Issued:	Males	125	Females	59
	Neutered Males	117	Spayed Females	213
	Kennel Permits	5

Joyce A. Pedone, Town Clerk

TOWN OF CLARENDON BOARD OF LISTERS NORTH CLARENDON, VERMONT 05759

Hello Neighbors,

It's Town Report time again. This is where we give out friendly reminders, tell what's happened and what's going to happen.

The Vermont Assoc. of Listers and Assessors recently held its 7th annual meeting. A highlight of the meeting was the 1st presentation of the Michael P. Cyprian Lister of the Year Award. This award was created in memory of Michael Cyprian, a mass reappraiser and long-time Lister for the Town of Plainfield. It will be presented yearly to a Vermont Lister who exemplifies the characteristics of public service, knowledge, integrity and fairness that Michael Cyprian worked so hard to promote. The 1991 Award was presented to the Clarendon Board of Listers. The Board was recognized for their exemplary efforts as a knowledgeable, dedicated, and effective Board. The Award plaque will hang in the Vermont League of Cities and Towns Conference Room. Award certificates are hanging at the Clarendon Town Hall.

Notice to Our Citizens 62 and Over = 1991 Vt. Income Tax Return = TAX REBATE = Please read "1991 Vermont Homeowner or Renter Rebate Claim" ALSO "1992 Vermont Property Tax Credit Certificate Application".

Notice to All Mobile Home Owners = PLEASE record the sale of your mobile home with our Town Clerk. If you don't file it, YOU will get the TAX BILL on that home. Also file a mobile home bill of sale when you up grade to a newer home.

Grievance Process = is a timely process—dates/times are set by state statute. So please read any notice carefully. We can't respond to any grievance filed after the deadline.

Year	Grand List	Tax Rate	AFMV	Remarks
85	\$ 41,250,202	\$2.05	76%	
86	42,249,173	2.38	—	
87	44,679,942	2.44	69.10	Appointed 3 months \$19,000 add. taxes
88	48,946,480	2.47	57.33	Education (VPE) Commercial prop. up to date
89	111,883,263	1.12	113.09	Reappraisal
90	115,939,086	1.34	100.23	Defending Values in Clarendon BCA State
91	122,641,600	1.25	97.17	Superior Court case Lister of Year

1989 = Reappraisal—a big under taking of the town. Lister budget \$22,600 used \$10,228.15 = didn't use \$12,371.85. During reappraisal we incorporated normal listing work with our reappraisal work at a saving to the Town.

1990 = Listers Budget \$21,925 used \$14,751.60 didn't use \$7,173.40. At this time we were asked to holdback/put off if we could to help out as others were going over budget. We did.

1991 = Listers Budget request of \$16,500 was cut to \$13,500. At this time we said we could hold to \$13,500 again by holding off. Budget cut again to \$9,500 no explanation with the understanding of going over budget. Used \$13,735.86. Grand List Value was increased by \$6,702,514 = Without increase tax rate would have been \$1.33.

1992 = Listers "Salary" (Bd. of Selectmen now say a salary for Bd.) Listers Budget request outlined all work that needed to be done, things that have been put off/put on hold.

Property Valuation and Review = 8 District Advisors—now down to 5. Less help from the state in preparing assessments, state aid, land use, etc. Current Use = House Bill 806—more work coming back to Towns on Current Use with less help.

2 Superior Court Cases pending. State Aid to Education.

We were audited by the State in Farm Category. When there are no sales in any given category, the State comes in and pulls three properties at random and appraises them. 1990 % in Farm Category 100.72. 1991 % in Farm Category 98.38.

This year we have a separate line item for the amount of \$20,000 (salary). We feel the Townspeople should have a say in the value of the Listers work. Those of you who believe in the fairness, equity and service the Board of Listers give to the Town. Please support Article #7 in the Warning.

The cover of our Town Report Honors Leland for his 40 years of service to Our Town. We would also like to take a few moments for Jim Doherty, for his six years of service as a selectman. "THANK YOU JIM!"

We appreciate everyone's help, cooperation and support thru out the year.

CLARENDON BOARD OF LISTERS

ANNUAL REPORT—1991 RUTLAND REGIONAL PLANNING COMMISSION

The Regional Planning Commission has continued to work closely with communities to provide up-to-date, accurate information and create a cooperative and positive planning process. An increasing number of communities are preparing local plans that provide strong local control while recognizing regional responsibilities. During the past year the Regional Planning Commission:

- has emphasized helping communities prepare local plans that meet the needs of the community working particularly with Brandon, Wallingford, West Haven and Poultney; also worked with Rutland City, Rutland Town, Shrewsbury, and Mt. Holly. Benson, Pawlet, Ira and Poultney were assisted with zoning and subdivision regulations;
- continued, with extensive citizen participation, the *REGIONAL PLAN* update;
- continued working with towns and the Natural Heritage Sites Program collecting information on natural areas in Benson, Castleton, Fair Haven, Hubbardton, Ira, Middletown Springs, Pawlet, Poultney, Tinmouth, Wallingford, Wells and West Haven;
- prepared and/or distributed copies of the State's Planning Newsletter, the Regional Commission's Data Brief, town demographic and economic profiles, and Newsletters on Solid Waste Planning activities;
- continued our very successful cooperative purchasing program for fuels that has saved Hubbardton, Ira, Clarendon, Middletown Springs, Pawlet, Sherburne, Shrewsbury, Tinmouth, "the Bus" and other nonprofits and school districts substantial amounts on their fuel oil, diesel and gasoline purchases;
- worked with 14 communities to help them devise strategies for dealing with their solid waste and increasing recycling opportunities;
- expanded our information resources and computer assistance to give you the data needed to make informed decisions on local planning and management issues, provided extensive data from the 1990 Census;
- completed a circuit riding transportation planning program providing assistance to West Haven, Brandon, Wallingford, Mt. Holly, Poultney and West Rutland, and;
- dramatically expanded our geographic information system; prepared property boundary GIS maps for eight communities; prepared maps identifying factors to be considered in future land use decisions for West Haven, Brandon, Poultney, Wallingford, Shrewsbury, Benson and Rutland Town.

These and other activities have been accomplished while keeping local dues at the same level and even though we have had to reduce staff due to state funding cuts of almost eighteen percent.

Please help us as we continue these and other efforts to generate regional cooperation and make planning in Rutland County a process that truly involves the Region's residents.

CLARENDON VOLUNTEER FIRE ASSOCIATION, INC. CLARENDON, VERMONT 05759

The Association would like to thank the Auxiliary and Townspeople who have helped and supported us in 1991, making it possible for the Department to have another successful year.

This year the Department researched and purchased a totally new radio system capable of giving us greater distance and better communication which will help us respond quicker to any emergency. The Department planned and saved to purchase this system so as not to burden the Townspeople, which is always a concern in our organization!

We currently have 28 members on our roster and in 1991 we responded to a total of 67 calls which required 846½ man hours and our equipment was used for 202 hours. We were asked to assist in 7 Mutual Aid calls to our neighboring towns and required Mutual Aid into our town 4 times.

The Department was represented in a number of parades and musters. At the 1991 Vermont State Firefighters Convention in West Dover, Vermont the men had another fine showing in which they received a number of 1st Place trophies; one of which included the Sportsmanship trophy. Again this year we will be attending the 1992 State Firefighters Convention which will be held in Rutland. We hope to see many Townspeople there to watch our men compete. Convention will be held the first weekend in August. Sporting events will be held locally on Saturday and there will be a large parade on Sunday.

In closing, I would like to thank the Firefighters and the Women's Auxiliary, who always do an outstanding job, for supporting me in my first year as Chief.

Respectfully submitted,
Leslie E. Cyr

**THE CLARENDON FIRE ASSOCIATION AUXILIARY
CLARENDON, VERMONT 05759**

The Auxiliary would like to thank the firemen and many townspeople for their help and support throughout this last year.

We had 20 members in 1991. Everyone worked very hard. We welcome new members any time. Our meetings are held the second Monday of every month at the Clarendon Station. For more information call 775-4673.

We were busy with many projects this year. Some of the activities we were involved in include: catering a dinner, holding a Tupperware party, Valentine's Day Dance, booth at a craft sale, sold refreshments and rummage at Men's Annual Auction, sold refreshments and 50/50 tickets at Weekly Bingo, worked with men at coin drops, and at VT State Fair, Annual Children's Christmas party, and various other raffles and bake sales.

In August some of our members attended the annual VT State Firefighters Convention in West Dover. I am pleased to say they returned home with four trophies.

At our December meeting, Officers for 1992 were elected. New officers are:

President: Joyce Pedone

Vice President: Tammy Parker

Secretary: Beth Sheehe

Treasurer: Beverly D. Brown

Once again, thank you, everyone for your support.

Respectfully submitted,
Cindy G. Davis, President

**HEALTH OFFICER'S REPORT
CLARENDON, VERMONT 05759**

I was recently requested to give you figures for the budget of health officer. Last year we issued about 40 permits. This year I just issued Permit No. 24. We may get as high as 25 permits; accordingly, if we assume 30 permits for the next fiscal year, then the income would be \$750 and the associated expense would be \$375.

In the last town report the income from septic permits was lumped with miscellaneous income and the expense to the town for paying me my half was listed clearly to my name. I would appreciate it if the town report would be done in such a way that it is equally clear that more money comes in from septic permits than goes out.

Very truly yours,
R. Brownson Spencer, II
Health Officer

**RUTLAND COUNTY SOLID WASTE DISTRICT
ANNUAL REPORT — 1991**

The Rutland County Solid Waste District has had a very productive year. During 1991, the District created a household hazardous waste collection program that visits town transfer stations twice a month to collect household hazardous wastes. This program is designed to recycle as much as possible and to properly dispose of the balance of hazardous wastes that are commonly found in the home. As part of our hazardous waste program, we are completing audits of small commercial generators of hazardous waste, so that we can design appropriate collection programs for them.

Recycling programs were also a major component of our work in 1991. The District instituted a magazine and junk mail collection system late in the summer. We now collect these commodities weekly from transfer stations. After processing at a District warehouse they are picked up by Marcal Paper to be made into new tissue paper. Late in November, the District established new markets for boxboard (cereal boxes and other light cardboard). We anticipate that by spring of 1992, the District will be collecting twenty tons of recyclables a week with these programs. A second new effort in 1991, was to design and implement a franchised curbside collection program in Rutland that will service 7,000 residents. The District still provides other recycling programs through contracts with Casella Waste Management (corrugated, newspaper, glass, cans and #1 & #2 plastics); Oxford Tire (tires) and Max Jewell (metal). Other District programs include a waste oil collection program and a yard and leaf compost program.

In 1992, we will be looking to complete the implementation now underway and to expand our programs. We will try to make yard and leaf compost equipment and expertise available to all member towns. Aseptic packaging (milk cartons and juice boxes), more grades of plastic and rags, will be possible new materials to be recycled. We will strive to create a low cost, construction and demolition waste recycling program that will accept materials at two sites within the county. Finally, we will continue to strengthen recycling markets.

On November 26th, the proposed District solid waste implementation plan for the next twenty years was introduced. During the first few months of 1992, the public will be asked to review this plan, prior to its final adoption by the Board of Supervisors. As part of this planning program, the District continues to negotiate short term and long term disposal options for wastes that are not recycled or composted.

The District's obvious success at implementing recycling and hazardous waste management, joined with its ability to provide disposal options, has made the District more appealing to towns that have never been members or to towns which recently left to explore other options. To these towns and to our current member towns with over 44,000 people, we again pledge ourselves to finding common solutions to our waste management needs.

**REGIONAL AMBULANCE SERVICE, INC.
ANNUAL REPORT
(Fiscal Year Ending June 30, 1991)**

To the Honorable Citizens of the Town of Clarendon, VT:

We are pleased to present our annual report to the Citizens of the Town of Clarendon. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service since 1983. During our eighth fiscal year, ending June 30, 1991, the service responded to a total of 4,089 ambulance calls and an additional 739 paramedic intercept calls.

With the continued support of the citizens, our employees and community governing bodies, we were again able to provide our seventh consecutive year of service using the same assessment rate without change. We extend our appreciation to everyone for their support.

In an effort to continue Paramedic Advanced Life Support in this area, the Board of Directors implemented a plan to assume the paramedic program formerly offered through the Rutland City Fire Department. The transfer of the program from Rutland City Fire Department to Regional Ambulance required the addition of personnel, new equipment an emergency vehicle and addition of one garage. Our personnel made the commitment of upgrading their skills to the Emergency Medical Technician Defibrillation and Emergency Medical Technician Paramedic certifications. The intensive training and upgrading continued throughout the year. The service purchased a new four wheel drive ambulance that replaced an older unit and the paramedic intercept vehicle we call "Medic One".

The process of transferring the paramedic program from Rutland City Fire Department to Regional Ambulance could not be completed without the team work of the employees of both services. The members of the Rutland City Fire Department should be commended for the services they have provided in the medical field over the years. We especially thank Officers Gary Gregorio and Michael Walsh for their assistance. The transfer of the program will be completed early in the next fiscal year.

Our professional staff is extremely capable and dedicated. The public is encouraged to visit and talk to the employees and administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative, Doris Weeks, if you have any question concerning the service.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc., will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely;
Amelia Taylor, President
Board of Directors

Doris Weeks
R.A.S. Representative
Town of Clarendon

**RUTLAND AREA VISITING NURSE ASSOCIATION
7 ALBERT CREE DRIVE
RUTLAND, VERMONT 05701
ANNUAL REPORT
1990-1991**

TO: Citizens of Clarendon,

The Rutland Area Visiting Nurse Association Inc. (RAVNA) continues to grow and expand services because of the increasing health needs that can be provided at home. RAVNA now has a High Tech nursing team that can provide many of the more highly skilled procedures that used to be performed in hospitals.

The town allocation has been utilized to provide home care to people that do not have a funding source. RAVNA could not provide services to all people in need without your continued support.

The following services were provided to your town:

Unduplicated patients — 38			
Skilled Nursing Care	— 642 vs	Homemaker	— 190 vs
Home Health Aide	— 623 vs	Respite Care	— 0 vs
Physical Therapy	— 125 vs	Clinic Service	— 0
Occupational Therapy	— 18 vs	Prenatal Couples	— 7
Speech Therapy	— 72 vs	High Tech Patients	— 4

We are anticipating that RAVNA will be Medicare/Medicaid certified for the Hospice Program in 1992. This will provide in home care to terminally ill patients allowing them to remain at home for their final days. We continue to grow as more needs become evident. We also have many Preventive Health Programs available to industry and business.

If you or your family need Home Health Care call 775-0568 or 800-244-0568. We have staff on call 24 hours a day 7 days a week.

Evelyn Doyle
Executive Director

SOUTHWESTERN VERMONT COUNCIL ON AGING
Report to Residents of Clarendon

In fiscal year 1991, the Southwestern Vermont Council on Aging served 64 residents of Clarendon with our meals program, senior advocate and other services. There were 2307 meals on wheels delivered to 15 homebound persons in Clarendon. Meals on Wheels are vital to many persons and help them to remain in their own homes. 681 meals were served to seniors at the mealsite in the Grange Hall. 34 residents participated in this program. Senior advocates assisted 29 Clarendon residents with a variety of services including applications and problem resolution in benefit programs such as Medicaid, Food-stamps, and SSI. They also helped them with questions or problems related to health care payments, insurance claims, Vermont tax rebate claims and energy assistance.

This agency projects it will spend \$25,310 to assist seniors in your community during the fiscal year ending September 30, 1992. We are thankful for your help. State and federal funds, as well as participant donations made up the balance.

Services of our agency are available to anyone aged 60 or older. For further information about the services we provide, information about other services available to elders in our region or to make an appointment with a senior advocate, please call 775-0486. For meal reservations call Shirley St. John at 492-3525.

Respectfully submitted
Douglas Hall
Nutrition Program Director

RETIRED SENIOR VOLUNTEER PROGRAM
ANNUAL REPORT — 1991

Dear Residents of the Town of Clarendon:

The Retired Senior Volunteer Program is a nationwide program for people 60 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations.

In 1990, 407 RSVP volunteers throughout Rutland County contributed over 60,890 hours of service to more than 90 not for profit organizations.

Currently there are 11 active RSVP volunteers from Clarendon who donate their time to the following organizations: Arts in Process, Eden Park Nursing Home, McKerley Health Center, N'tl. Council Sr. Citizens, Pleasant Manor Nursing Home, RSVP, Rutland County Court Diversion Program, Rutland Regional Medical Center, Rutland So. Supervisory Union EEE Program, Rutland Senior Chorus, SW VT Council on Aging, VT Dept. of Health. Their combined hours of service totalled 1277 in 1990.

We thank the voters of the Town of Clarendon for the support that has been shown RSVP over the years and we pledge our continued efforts to be of service to all of you. If you would like more information about RSVP or if you are a senior citizen and would like to volunteer your services, please call us at 775-8220. Thank you.

Sincerely,
Anne P. Rowe, Director

RUTLAND MENTAL HEALTH SERVICE, INC.
78 South Main St., Rutland, VT 05701

To the Residents of Clarendon:

The Associates in Child and Family Services, our affiliate, 65 Grove Street in Rutland, has provided services to Clarendon residents for child, adolescent, parent, couples and individual counseling.

The following reflects specifics as to services to your community:

Service	Number of Visits/Units
Crisis Intervention	70
Adult Brief Therapy	76
Substance Abuse Treatment	225
In-Patient Psychiatric Care	0
Pre-Care/After-Care Clinic	98
Mental Retardation Case Management	104
Child and Family Treatment	118
Total number of residents served (59)	Total 691

We invite you to contact our main office (775-2381) with any questions you may have.

Sincerely,
Gilbert D. Aliber
Chief Executive Director

Lyle A. Gray, President
Board of Directors

**CLARENDON TOWN SCHOOL DISTRICT
ANNUAL REPORT (Cont.)**

III. SUPERINTENDENT'S REPORT

A. Enrollment:

Student enrollment at the Clarendon Elementary School for the 1991-92 school year is 335 students. We expect this number to decrease slightly if the number of new kindergarten students is below 50 as we expect. With the closing of the Ira Central School we have picked up more tuition students. This increased income has more than offset any increased costs. At Mill River Union High School the number of Clarendon students has increased from 284 to 293 students. This increased number is significant because the Clarendon assessment (taxes paid to Mill River) is based upon the number of Clarendon students that attend. Please note the complete enrollment tables above.

B. Personnel:

All teachers and staff members serving the Clarendon students, along with their assignments, are listed on page one of this report. The only new staff members for the 1991-92 school year are Christine Neff, our health teacher, and Karen Trimboli, filling in for Michelle Pilcher who is on a leave of absence. Bernard and Larry Spencer are now employed as bus drivers as they no longer contract out bussing services. We commend all staff members for the special efforts they make on behalf of our students.

C. Curriculum:

With larger enrollments we have expanded the number of classrooms to three classes per grade level. This has been offset in part by the elimination of part-time reading positions. The school calendar has changed. We have added more student days and have created eight half days for teacher meetings. This has created more time for teachers to work on curriculum, while not decreasing the time that students are in school. Most teachers are now members of instructional teams where they spend more time coordinating instruction and planning to meet student needs. Our teachers are involved in many curriculum activities designed to improve instructional programs. Some, such as the Vermont Portfolio-Based Assessment Program, are state-wide efforts. Shayne Lylis, the RSSU Director of Instruction, is coordinating the work of our teachers as well as assuming a leadership role in the state-wide effort. Work continues on our language arts program as we attempt to use developmentally appropriate classroom practices while maintaining a balance between whole language activities and appropriate skills instruction. In layman's terms; Youngsters need to have frequent opportunities to "play the Game" (ie., be genuine readers and writers) as well as spending time practicing individual skills. In the same way that athletes practice fundamentals, but also apply these in a game situation. Youngsters become skillful readers when skills are strengthened through application and practice in genuine reading and writing activities that have meaning to them. Instruction is being delivered in a combination of homogeneous and heterogeneous groups to insure that all students are adequately challenged and have appropriate models. Work in all curriculum areas continues with particular attention to K-12 coordination of science and mathematics. To assist teachers more courses and workshops are offered in the district. We commend teachers for their efforts in support of these projects and Bob Snarski and Shayne Lylis for the leadership they are providing.

**CLARENDON TOWN SCHOOL DISTRICT
ANNUAL REPORT (Cont.)**

D. Facilities:

The recently completed addition to the Clarendon Elementary School has given us the space necessary to expand the number of classrooms to accommodate more students. Each year we work to maintain the quality of these facilities, doing necessary maintenance. The water softening equipment has been replaced, and some carpet which is over 20 years old has been replaced. Some new exterior lighting has been added and a new security system has been installed to deter possible vandalism. The project to purchase land adjacent to the school is moving ahead and will be completed within a few months. An important milestone was passed with the retirement of the bonds for our original building.

E. Budget and School Taxes:

Please review the budget worksheets and financial statements on the ensuing pages. The school board is proposing a budget for the 1992-93 school year with expenditures of \$1,708,863.00 for the operation of the elementary school, with \$440,196.00 to be raised by taxes. This represents less than 1% increase in expenditures. Excluding the increase in special education costs, the proposed budget is less than the current year (\$1,495,452 as compared to \$1,498,073). However, there are several items over which the school board has little control which are contributing to a large tax increase. These are listed below and compare to a total school tax increase of \$114,592.

Decrease in Carryover	\$ 75,656
Increase in Mill River Assessment	55,484
Total	131,140
Partially Offset by Additional Revenue	(16,548)
Net Increase	\$114,592

F. Teacher Salary Schedule:

The Clarendon teacher salary schedule for the 1991-92 school year has a base salary of \$19,580 for a beginning teacher with a Bachelors Degree. Increments of \$700 are paid for advanced training and additional years of teaching experience. A teacher with 30 credit hours beyond a Masters Degree and with 19 years of experience can earn the maximum salary of \$36,380. The average salary for Clarendon teachers is \$27,903 for 1991-92. This compares with an average teacher salary for the state of Vermont of \$31,709 for 1990-91, according to the most recent information from the VSBA. Negotiations have not been completed for the 1992-93 school year.

G. Special Education:

The Rutland South Supervisory Union administers special education programs for the students of Clarendon, Shrewsbury and Wallingford. These programs are in compliance with P.L. 94-142 and support the goals for providing full educational opportunities for all handicapped youngsters. Anyone with knowledge of youngsters in need of services (including preschool) are encouraged to contact the office of the superintendent of schools (775-3264). Under recently enacted state legislation these programs are funded jointly by local and

**CLARENDON TOWN SCHOOL DISTRICT
ANNUAL REPORT (Cont.)**

state funds which are sent directly to the local district. All revenue and expenditures are contained in the financial reports. A summary of these amounts is listed below. Special education costs are increasing because we now have more students who need these services.

	Actual 90-91	Estimate 91-92	Budget 92-93
Special Ed. Expenditures	183,590	208,766	213,411
State Revenue	137,255	131,760	130,160
Other Revenue	<u>20,564</u>	<u>21,000</u>	<u>21,000</u>
Net Local Costs	25,771	59,006	62,251

H. Chapter 1, Chapter 2, and Title II Programs:

The Rutland South Supervisory Union administers the Federally funded, Chapter I Program which serves eligible students in Clarendon through two programs. The first program provides remedial reading instruction to school-aged youngsters. The second is a small preschool program serving eligible four-year olds and is coordinated with the EEE Program. Shirley Bingham coordinates and supervises these programs. The Chapter 2 Program provides funds to supplement instruction and supports mini grants for teachers, the purchase of materials, counseling services, and curriculum development. Title II funds support improvement in math and science instruction. Parents or others wishing to have additional information or to comment on these programs are encouraged to contact Shirley or Superintendent of Schools, Henry Burnham. Telephone (802) 775-3264.

I. School Board Meetings:

The Clarendon School board meets on every second and fourth Tuesday of each month at 6:30 p.m. in the library of the elementary school. Also, the Board holds special meetings to transact other business such as personnel negotiations.

J. Nondiscrimination Policy:

The Clarendon Town School District offers employment and educational opportunities without regard to sex, race, color, national origin or handicap. Inquiries regarding this nondiscrimination policy may be directed to: Henry J. Burnham, Superintendent. Telephone (802)-775-3264.

**TOWN OF CLARENDON
ANNUAL TOWN MEETING
Monday, March 4, 1991
Clarendon Elementary School 7:30 P.M.**

Meeting was called to order at 8:30 P.M. by Moderator, Robert Stimson. The meeting opened with the Moderator calling for a few moments of silence for the troops in the Persian Gulf, followed by the Pledge of Allegiance.

Rules for the meeting were given by the Moderator. He stated if no questions he would dispense with reading of the warning.

The Treasurer, Ann St. Peter announced two corrections on the Delinquent Tax list, in the Town Report should be noted. First, on page 19 Donald Bodette for 1989 and second, page 21, Patty and Dennis LaPlante. Both should not have been included.

Article 1. To act on all Town Officers Reports.
Moderator read the article. Al Ridlon moved to accept all Town Officers reports. Arthur Knox seconded and so carried.

Article 2. Shall the Town pay taxes to the Treasurer?
Moderator read the article. Arthur Knox moved to pay taxes to the Treasurer, motion was seconded by Nancy Decker and so carried.

Article 3. Shall the Town authorize the Selectmen to borrow money in anticipation of taxes?
Moderator read the article. Thomas O'Brien so moved, seconded by Thomas Richardson and so carried.
